## **Message to managers: take care of your talent or it may walk out, Krauthammer's latest management study shows**

KRAUTHAMMER | London, UK | 13-Aug-2009.

For the third year in a row, Krauthammer has asked employees across Europe about the behaviour they seek and experience from their managers. Each year there are significant gaps between desires and reality. And this year is no exception. The majority of managers (64%) are behaving in an exemplary or at least operational way and the behaviour of a third (33%) is at best penalising and at worst, disqualifying. At the same time 27% of employees report that their commitment to remaining in their organisation over the next 12 months is low.
