Free Online Resources Justify Government's ICT cuts

ALISON | 25-May-2010.

The government's decision to abolish the education ICT agency Becta by November has been met with mixed view. The scrapping of the quango which promotes the use of technology in schools is part of cuts worth £6.2 billion in what Chancellor George Osborne has called 'wasteful' public spending. While up to 240 jobs will go and its services cut, many are asking if Becta will truly be missed.
